Rec'd 3-6-63

Pages 498/9 - Repeated references (4 of them)  
to 1968. Does this give undesirable emphasis  
to this year as the year of the crunch?

Pp 517-518 - Secretary McNamara  
refers to "National Intelligence  
community" increasing its  
"estimate" of Soviet submarine  
threat.

Page 584 - McNamara says 6 U-2  
missions between 5 Sept and  
14 Oct
